Thank you very much for your quick response and (b) (6) always insightful knowledge. Also, I would like to thank (b) (6) for his MCAC stand-by participation on this issue.

(b) (6) - If possible, I would like to have (b) (6) response drafted into a formal summary, to be disseminated via MCAC Watch to our LE-IC Partners for future informational awareness on similar incidents.

Could you please inform me on this request and what I could do to facilitate, if anything.

Thank very much in advance. Respectfully,

This is a promotional sticker from (b) (6) Prison Planet and Infowars: He's a conspiracy theorist from back in the late nineties that gets some airplay from (b) (6) but no one else takes him seriously. He believes that there's a cabal of secret global elites that control the

government through secret societies like Skull and Bones, Bohemian Grove, Masons, etc.

Please see the attached photo reflecting a 9-11 sticker propaganda, which found by cleaning personnel. The sticker was applied on a mirror, inside a restroom, 2nd floor of mitchell courthouse, Baltimore City Circuit Court.

Could you please let me know if I&A, SLPO and other LE/IC partners have reported similar activities? The sticker reads the following:

9-11 Was an

Inside Job

I called the MCAC and spoke with (b) (6) and no trends as indicated above have been reported.

I am going to stand by on the removal of the sticker until I hear from you.

Thank you,
